

## Mary Kay's Foundation "replacement!"

Coverage and benefits you want! In the revolutionary skincare formula that replaces all other foundations. Light weight yet long-wearing, with great stay true, stay put color. Plus you get skin-loving benefits in both formulas. Like 8 hrs of oil control in our with "Medium Coverage" that will even dry out acne with a matte finish. Or our "full coverage" formula even gives an extra 8 hrs of hydration with flawless coverage. Each formula is meant to be applied sheerly and layered if necessary for great flawless coverage.

Mary Kay's foundation replacement is the last step in great skincare. It is no longer considered makeup but actually transforms the skin-tone, texture and coloration through its patented marine botanicals.

Our new formula helps seal your skincare into your skin while protecting you from the environment all day. Allowing your skincare to continue to work on you until your remove your makeup at night. Both formulas are transfer resistant, and will not drip or burn when you go the gym or sweat while working in the yard! They will even disintegrate if you jump into the swimming pool!
